

**UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF OHIO
EASTERN DIVISION**

IN RE: NATIONAL PRESCRIPTION)	MDL 2804
OPIATE LITIGATION)	
)	Case No. 1:17-md-2804
THIS DOCUMENT RELATES TO:)	
)	Judge Dan Aaron Polster
<i>Hospital Cases</i>)	
)	<u>ORDER REGARDING HOSPITAL</u>
)	<u>FACT SHEETS</u>

On November 29, 2023, the Court ordered the Hospital Plaintiffs to submit to the Court by noon on February 2, 2024, “a list of pending Hospital cases where a PFS was not submitted.” Order at 1 (docket no. 5257). The Court indicated it would dismiss with prejudice those cases where a Hospital Fact Sheet (“HFS”) was not timely provided. *Id.*

The Hospital Plaintiffs timely submitted the list. On February 23, 2024, Defendants sent the Special Master and the Court: (1) a different list of approximately 29 additional Hospitals that had not submitted a HFS; and (2) another list of 38 HFSs submitted with material deficiencies. On February 28, 2024, the Court held a status conference with Hospital Plaintiffs and Defendants.

In their status reports and other emails prior to the conference, and during the status conference itself, it came to light that there was some confusion about which types of entities should be considered “Hospital Plaintiffs” for the purpose of the Court’s prior orders. This confusion is what lead Defendants to identify the 29 additional “hospitals” that had not submitted HFSs. The Court now clarifies that, for the purpose of this MDL, a “Hospital Plaintiff” is a hospital *or non-hospital healthcare provider* whose complaint includes “claims relating to unreimbursed

and/or under-reimbursed care for patients with Opioid Use Disorder.” Feb. 23, 2024 Email from J. Tinkham to Special Master Cohen.

The Hospital Plaintiffs listed below that may have previously been unaware of their obligation to complete a HFS, but which meet the Court’s clarified definition, shall have until **Monday, June 3, 2024**, to complete and submit a HFS to the HFS Repository identified in docket no. 5299. Failure to timely meet this requirement will result in the case being dismissed.
